

The Centre in April: Help for Ukrainians, sociocultural and language courses.

Dear friends,

In our monthly newsletter you will find out what events we are preparing for you in April. We are helping newcomers from Ukraine, offering consultation, and preparing sociocultural and language courses. All our activities are for free.

Consultation and Czech language courses for Ukrainians

We offer social and legal consultations for those arriving for Ukraine and their close ones. We also opened Czech language courses for Ukrainian children (younger school age, older school age and teenagers) and adults. We are collecting current information and important documents for Ukrainians on our website.
