

The Centre in June: Conversation courses, e-learning and the Smart Migration application

Dear friends,

In our monthly newsletter you will find out what events we are preparing for you in June. We are opening new conversation courses and e-learning courses for EU citizens. We collaborated in creating the smartphone application Smart Migration and we are preparing an audiovisual campaign about foreigners in the South Moravian region.

Start Speaking in Czech at the Conversation Courses

We are starting Czech conversation courses for EU citizens in June, where you can practice various conversation situations and talk about interesting topics. These courses are for language levels A1, A2 and B1.

Smart Migration: Everything Important in a Smartphone

Together with MENDELU we have created the smartphone application Smart Migration South Moravia. It offers the most important information regarding residence permits, employment, social security, education, health, and others. Download the application and you will always have a virtual assistant who will answer your questions available.

Become the Star of Our Campaign

Are you foreigners but do you feel at home in the South Moravian region? For our upcoming campaign we are looking for stories worth listening to. Maybe it is yours. Contact us at zidkova.martina@jmk.cz and help us spread awareness about how it is also thanks to you that living is so pleasant in Moravia!

And that's not all! You can find more information about our activities in June on our [website](#), [Facebook](#), or [Instagram](#).
