

# Centre in February: Online Czech Courses and Help with Tax Returns

## Dear friends,

In our monthly newsletter you will find out what events we are preparing for you in February. We will be launching free online Czech courses to which you can register in February. You can also visit our English lecture where we will teach you how to file a tax return.

## Learn Czech Online

We will start the registration into new e-learning Czech courses. In these courses you can learn Czech online wherever you are and whenever you want. You will practice Czech grammar, and thanks to interactive exercises, articles, videos, and audio recordings you can also practice your reading, writing and speaking. The registration begins on 20th of February.
